# MASTERMINDS

---

The Solido group specialises in the development and management of real estate, both directly and on behalf of third parties, and its customers include some of the largest financial institutions in Italy.

Solido has distinguished itself over the last decade for its development of restorative construction development and with the brand Eight Luxury Apartments launches the experience philosophy of real estate.

Design and implementation of unique apartments that express contemporary Italian trends in original, diversified and customizable ways according to different lifestyles.

Each Eight apartment interprets an individual style and a symbolic expression of taste and well-being in a unique way. Select materials, sophisticated design finishes, and the latest technological systems intersect in a kind of new discipline of experiencing beauty in a sensory way.

## LOCATION

Directly overlooking Rome's most iconic landmark. A rare opportunity to acquire a recently modernized historical palace of 1500 in one of Rome's most exclusive places.

---

Located in Piazza Borghese in Rome, a stone's throw from Piazza di Spagna, this historic stately building dates back to the 16th century, belonged to the noble family of the Torlonia-Borghese Princes until the 20th century.
